ADMINISTRATION

1. A good deal of time was spent last week scheduling a record number of 22 presentations by CIA personnel to be given in the Forty-first Class of the Strategic Intelligence School. The presentations and choice of speakers have been carefully coordinated with Colonel Arnts, Assistant Commandant, SIS. Colonel Arnts is grateful for the extensive support rendered by CIA, upon whom SIS relies heavily for its speakers. By way of comparison, the Department of State furnishes but one speaker for each course.

2. OTR is furnishing two speakers from SIC, one from IS, and one from LAS for the first time.
